RULE 35: HEARINGS BEFORE AN NIYFA DISCIPLINARY PANEL

- 35.1 The NIYFA Disciplinary Panel shall have the power to conduct a hearing in the following circumstances:
- (i) When a player, official, match official or club lodges a Notice of Complaint Challenge.
 - (ii) When the Disciplinary Panel otherwise deems appropriate to do so pursuant to the overriding objective
- 35.2 The NIYFA Disciplinary Panel will have the power to direct the attendance of any player, official, match official or representatives of any club to attend at a hearing convened pursuant to this Rule. NIYFA shall notify any person directed to attend of the date, time, and place of the hearing if their attendance is required. It will be the duty of the persons whose attendance is directed to inform NIYFA immediately of any difficulty in attending a hearing. The NIYFA Disciplinary Panel will be guided by the requirement to have the matters dealt with in accordance with the overriding objective.
- 35.2.1 In the event of a person or club whose attendance has been directed does not attend, the

NIYFA Disciplinary Panel will be entitled to draw any inference it deems appropriate by their failure to attend when reasonable notice has been provided and/ or to issue a Notice of Complaint against that person or club pursuant to **Rule 36.11**.

- 35.3** Should a referee fail to attend a hearing without just or reasonable cause, the NIYFA Disciplinary Panel has the discretion to report the individual to the referee's committee to take whatever action they feel appropriate in the circumstances.
- 35.4** The NIYFA Disciplinary Panel shall have the power to direct that any person required to attend, produce documentation or items which in the opinion of the Disciplinary Panel would assist them in their determination of any issue at the hearing. In the case of a match official, it will be incumbent upon the match official to provide a full and comprehensive match report, in every case which requires a hearing, no later than seven days before the hearing.
- 35.4.1** The NIYFA Disciplinary Panel will be entitled to draw any inference it deems appropriate by the failure of any person or club to produce any such documentation or item, or if the documentation or item is materially incomplete, when reasonable notice to produce the same has been provided, or when in the opinion of the Disciplinary Panel it would have been obvious to the relevant party that such material should have been produced to assist the Disciplinary Panel with its deliberations. Furthermore, the Disciplinary Panel may issue a Notice of Complaint against that person or club arising from a player, official, match official or club's failure to produce any documentation or item when reasonable notice to do so has been provided.
- 35.5** It shall be the duty of anybody or anyone facing any complaint to notify the NIYFA Disciplinary Panel no less than **48 hours** before a hearing of the attendance of any person (including representatives) attending the hearing together with the details of any witness they may wish to call. A club is responsible for ensuring that its players or officials attend a hearing. Failure to notify the Disciplinary Panel will entitle the Disciplinary Panel to exclude any person from the hearing.
- 35.6** The NIYFA Disciplinary Panel shall be entitled to deal with any hearing if a person or club, including those who are the subject of any Notice of Complaint fails to attend the hearing, if satisfied that it is pursuant to the overriding objective to do so.
- 35.7** In advance of the hearing, any person or club appearing before the NIYFA Disciplinary Panel to answer any Notice of Complaint must be given copies of any documentation relevant to the facts of the Notice of Complaint which is already in the possession of the NIYFA Disciplinary Panel and upon which the Disciplinary Panel may rely. Where documentation is received for the first time in the course of any hearing, the Disciplinary Panel will determine, following enquiry of any person or club answering a Notice of Complaint, whether in the interests of fairness time should be afforded to any party to consider such documentation.
- 35.8** If before a hearing it becomes apparent to the NIYFA Disciplinary Panel that the case will involve specialist (including medical) evidence, or has elements which are unusual or difficult, the Disciplinary Panel may direct that such evidence be served in such a manner that the hearing of the case may be properly and fairly conducted.
- 35.9** The NIYFA Disciplinary Panel shall be entitled to rely upon audio or video footage, including but not limited to television evidence when considering any case before it. The Disciplinary Panel should, where practicable, identify to any person or club charged of the existence of

such footage it intends to rely upon and where the material is not publicly available invite the person or club charged to attend the offices of this Association in advance of any hearing to be afforded an opportunity to inspect this material. The existence of such material having been identified, it will be incumbent upon the person or club charged to make arrangements through the Secretary to the NIYFA Disciplinary Panel to inspect the material.

- 35.9.1** Where a person or club who is the subject of a charge intends to rely on such material, it will be the responsibility of that person or club to provide copies of the footage which the NIYFA Disciplinary Panel is capable of viewing no later than **48 hours** in advance of the hearing.
- 35.10** The NIYFA Disciplinary Panel shall be entitled to rely upon any evidence or material which it deems capable of being relevant to the issues before the Disciplinary Panel giving such weight as it deems fit to the evidence, dependent upon its source and its content. It will be for the Committee to determine what evidence it hears and considers.
- 35.11** Where it appears to the NIYFA Disciplinary Panel that a player, official, match official or club has acted in a manner intended to frustrate the process of conducting an effective hearing, the Committee shall have the power to charge that person or club pursuant to **Rule 36.12**.

RULE 36: PROCEDURES FOR THE CONDUCTING OF HEARINGS

Principles

- 36.1** Hearings before the NIYFA Disciplinary Panel are disciplinary proceedings; the Panel is not a court of law. The Panel shall endeavour, where possible, to abide by the provisions under this Rule; however, it shall retain an overriding discretion to act in accordance with the overriding objective.
- 36.2** The burden of proof regarding disciplinary infringements rests on the Association. It is for the Association through the process set out in this Code to present evidence to the Panel and establish a case against a person or club subject to disciplinary proceedings. Where it appears to the Panel that the Association has failed to discharge that burden, the Panel shall be entitled to discontinue charge proceedings.
- 36.3** The standard of proof in all disciplinary cases is on the balance of probabilities. For the avoidance of doubt, there is no sliding scale.
- 36.4** During the course of any hearing, all submissions and questioning must be directed through the appointed Chairman of the Panel. During the course of any hearing, the Chairman of the Panel shall, in his discretion, direct the parties on how proceedings are to be conducted.
- 36.5** Where a hearing is convened, all members of the Panel must avoid a situation in which they or any Club that they represent or are associated with has, or may have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Panel or the overriding objective. In particular, no member of the Panel shall be entitled to vote on any matter directly related to or involving the Club that they so represent or are associated with.
- 36.5.1** Members of the Panel must declare any such conflict of interest to the Panel as soon as they become aware of it. It will be incumbent upon any person or club appearing at a hearing before the Panel to identify at the outset of proceedings whether they believe any such conflict of interest arises. If required, the Chairman of the Panel will determine whether a

conflict of interest has arisen and take what steps are necessary to ensure that a fair hearing results pursuant to the overriding objective.

- 36.6** Any person or club subject to a Notice of Complaint and appearing before the Panel who is of the opinion that they have not been given reasonable notice of the alleged breach(es) of the Disciplinary Code or the evidence to be relied upon during the course of any hearing will be entitled to invite the Panel to consider whether an adjournment should be granted. The Panel will determine whether any adjournment is required pursuant to the overriding objective.
- 36.7** Where notice has been given of a hearing to any person or club subject to a Notice of Complaint pursuant to **Rule 17** the Panel will have the power to proceed to a hearing in the absence of the person or club charged if they fail to attend at the date and time notified without providing a reasonable excuse. Where the Panel find that the attendance of any person or club subject to the Notice of Complaint or required to attend is necessary to properly determine any issue before them, the Panel will have the power to suspend any such person or club until such time as they appear before the Panel, in which event every reasonable attempt will be made to agree with the person the date for a further hearing.
- 36.8** Any player, official, match official club or league subject to a Notice of Complaint will be entitled to be represented at a hearing by a nominee or representative providing notice of the attendance of such persons (including the name, contact details and profession of such a person) has been given to the Panel no later than **48 hours** before the hearing. In the event that such notice has not been given, it will be at the discretion of the Panel to refuse such a person entry to the hearing.
- 36.9** The player, official, match official and/or representatives of the club or league subject to a Notice of Complaint will be admitted to the hearing, together with the relevant match official(s) or other such person who submitted a report or evidence in relation to the charge(s) before the Panel, including evidence relied upon by the person or club charged. It will be at the discretion of the Panel to refuse any such person entry to the hearing where there has been inadequate notice as directed in this Code.
- 36.10** The Panel will have the power to require the attendance at the hearing of any witness who is capable of giving relevant evidence on the issues before the Panel. In any case where a witness required by the Panel to attend the hearing refuses or fails to attend, the Panel will be entitled to take account of any written evidence available from that witness and determine what weight can be attributed to that evidence in the absence of their attendance.
- 36.11** Persons or clubs subject to a Notice of Complaint will be entitled at a hearing to call relevant evidence from any person. Clubs must give notice in writing or by email to the Panel of the name and contact details of any such witness together with details of the nature of any such evidence, including a written account of that person's evidence no later than **48 hours** before any hearing. The Panel shall determine whether such evidence is relevant for the purpose of any hearing and direct whether such evidence may be relied on pursuant to the overriding objective.

Contempt of the Disciplinary Code

- 36.12** Where it appears to the NIYFA Disciplinary Panel that, during any charge procedure, hearing, or in the aftermath of any such procedure or hearing, any party has sought to deliberately

mislead the Panel or endeavoured by any means to frustrate the due process of proceedings pursuant to this Code, the Panel shall be entitled to charge any such persons with being in Contempt of the Disciplinary Code.

36.12.1 In such circumstances, the Panel will determine whether to deal with such matters summarily as they arise or whether to adjourn pursuant to the overriding objective. The Panel shall have the power to sanction any party found to have been in breach of these provisions by way of suspension or fine.

Proceedings at Hearings

36.13 At the commencement of a hearing, the Chairman shall confirm the identities of the persons admitted to the hearing and introduce the Panel members.

36.14 Before hearing evidence, the Panel shall satisfy itself that the player, official and/or club is aware of the reasons for their presence at the hearing and the nature of the allegations made against them.

36.15 The Panel (only) shall have the power to appoint a Case Presenter to assist the Panel at a hearing when it is deemed appropriate to do so. Such a person must be legally qualified and shall be appointed by the Chairman of the Panel. The case presenter shall have the role of outlining the case, presenting the evidence defined at paragraph **36.17** to the Panel and, at the discretion of the Chairman of the Panel, challenging, the evidence as defined at paragraph **36.18**. The Case Presenter will be excluded from any aspect of a hearing which does not involve the presentation of evidence, submissions on the facts or the Panel determination.

In cases where a Case Presenter is appointed, supplementary questions from the Panel shall only be asked by the Chairman of the Panel. As a person appointed by the Panel, the Case Presenter shall be treated by all parties involved in the hearing with the same degree of respect to be afforded any member of the Panel.

The Chairman may disengage or direct the Case Presenter as appropriate pursuant to the overriding objective. Any person charged in relation to a case where a Case Presenter is to be used shall be notified of this no later than seven days before the Hearing.

Sanction Only Hearings

36.16 Where in advance of a hearing, the person or club subject to a Notice of Complaint has indicated that they accept the breaches of the Disciplinary Code alleged but wish to make representations in respect of the appropriate sanction, the person or club charged or the representative (but not both) may, at the discretion of the NIYFA Disciplinary Panel be invited to attend a hearing to make relevant representations to the Panel; the Panel shall be guided by **Rule 36.22** in terms of the receipt of such representations.

Where the person or club charged wishes to call evidence in these circumstances, the Panel will be guided by the principles set out at **Rules 36.17 - 36.22**. All deliberations and decisions of the panel shall be guided by **Rules 36.23 - 36.29** of this Code.

36.16.1 The Panel has the right to hold a hearing in any circumstance that it feels necessary, regardless of whether the person or club subject to a Notice of Complaint wishes to make

representations in terms of sanction. Parties are encouraged to attend in order that the matter may be dealt with in accordance with the principles overriding objective set out in **Rule 1.6**.

Charge & Sanction Hearings

- 36.17** The NIYFA Disciplinary Panel will first hear and/or consider the evidence available to the Panel including (but not limited to) the evidence upon which a Notice of Complaint has been issued. The player, official, match official, club or league subject to a Notice of Complaint or their representative (but not both) shall be given the opportunity through the Chairman to challenge any such evidence. The Chairman of the Panel shall have discretion to restrict questioning pursuant to the overriding objective.
- 36.18** The Panel will then hear and/or consider any relevant evidence called on behalf of the player, official, match official club or league subject to a Notice of Complaint. The Panel and/or any person appointed by the Panel for the purpose of presenting a Notice of Complaint to the Panel will be entitled, through the Chairman of the Panel to challenge any such evidence.
- 36.19** The Panel may draw such inferences as it considers appropriate from the failure of any person concerned with any Notice of Complaint to give evidence in accordance with this Code or to answer a question put to them during the course of a hearing. Nothing in this article should be regarded as conflicting with the presumption of innocence in favour of the person or club subject to a Notice of Complaint and the burden of proof upon the Association to prove a charge is made out.
- 36.20** The Panel will be entitled to consider any relevant disciplinary record of any person or Club as part of the evidence in the case. However, the Panel must not come to any finding of fact which is founded singularly or significantly on any previous adverse disciplinary finding. Previous disciplinary findings must not be used to bolster the evidence against a person or club charged when the other evidence is weak or tenuous.
- 36.21** The Panel will be entitled to receive and consider all relevant evidence including (but not limited to) oral evidence, written statements, television and radio evidence, extracts from social media and other internet-based material. Where a witness purports to give relevant evidence, that person should attend to give live oral evidence. Any statement or letter submitted in the name of any person will be deemed to be from the purported author of such material unless proven to the contrary and can be used against that person by the Panel for any other relevant purpose including separate disciplinary proceedings. Where evidence is not first-hand, such evidence will be given such weight as the Panel deems fit.
- 36.22** At the discretion of the Chairman, following the conclusion of the evidence at a hearing, the player, official, match official, club or league and/or their representative(s) (but not both) will be given the opportunity to supplement any written submission to the Panel and make limited representations on the evidence before the Panel and in respect of the sanction which would be imposed were the alleged breach(es) set out within the Notice of Complaint to be proven. The Chairman of the Panel shall have a discretion to restrict any representations including placing a time limit upon them.

Deliberations

- 36.23** Having heard the evidence and any submissions, the Chairman shall invite all persons other than the members of the Panel to retire whilst the Panel considers its decision in private.
- 36.24** When coming to their determination, the Panel shall do so only on the evidence which has been called, referred to or presented before the Panel at the hearing. At the Chairman's discretion, following retirement the Panel may recall the parties to deal with any issue concerning their deliberations.
- 36.25** The Panel shall come to its determination in respect of a Notice of Complaint and any sanction based on a straightforward majority. Where required, the Chairman shall have a casting vote.

Decisions

- 36.26** Following their deliberations, the person or club charged and/or their representatives shall be invited to return before the Panel for the delivery of the Panel's determination. The NIYFA Disciplinary Panel pass their decisions entirely independently; in particular, they shall not receive instructions from any other body. The person or club charged shall be informed of the Panel determination, that is to say:
- (i) What alleged breach(es), if any, have been proven.
 - (ii) What alleged breach(es), if any, have not been proven.
 - (iii) If proven, what core findings of fact the Panel have reached in coming to their determination on the alleged breach(es) set out within the Notice of Complaint.
 - (iv) What sanction has been imposed in respect of any alleged breach(es) proven.
 - (v) What factors have been taken into account in determining any sanction imposed.
- 36.27** Any person or club against whom, following a hearing, an alleged breach has been proven, will be notified by the Panel that confirmation of the decision will be given in writing by email to the email address previously provided during the Notice of Complaint procedure.
- They will be reminded of their right of appeal pursuant to **Rule 14** of the **Rules of NIYFA** both at the conclusion of the hearing and subsequently in writing.
- 36.28** *IFA Article 36.28 is exempted from the NIYFA version of the disciplinary code as it is deemed to be associated to Senior Football*
- 36.29** The deliberations of the Panel are private and will not be divulged to any person who was not present during the course of the Panel's retirement. The deliberations of the Panel, including the opinions or votes of any of its members will not be disclosed. Nothing in this Article will prevent the Panel from making representations to the Appeals Board if called upon following the submission of an Appeal by any person or club found to have breached this Code setting out the factual findings of the Panel in respect of any case.

36.30 Where it is not proven to the satisfaction of the Panel that a person or club has breached this Code, the hearing will be declared closed, and the deposit paid by them shall be returned as soon as is reasonably practicable.

36.31 The members of the Panel will not be held liable for any deeds or omissions relating to any disciplinary procedure.

- 1.11 Consistency and Fairness: The NIYFA Disciplinary Panel strives for consistency in its restorative actions. While does not adhere to binding precedents, it assesses each case on its own merits, with an unwavering commitment to restorative principles.
- 1.12 Restorative Graduated Response: When an individual commits multiple offences simultaneously, the Panel will base the response on restorative justice principles, seeking to address the underlying issues and repair relationships. Depending on the circumstances, the Panel may increase the restorative measures to ensure full restoration and accountability.
- 1.13 Flexibility in Assessment: If a Notice of Complaint has been issued, challenged, and the Disciplinary Panel finds that the alleged breach has not been proven, the Panel may determine a lesser breach of the Code and facilitate a restorative process, without the need for a new Notice of Complaint. The Panel retains sole discretion to decide on the appropriate restorative measures, provided that the aim is always to repair harm and promote accountability.
- 1.14 Ensuring Clarity: Any clerical errors or accidental omissions in written decisions or correspondence on behalf of the Panel may be corrected by the Panel at any time, with a commitment to transparency and restorative principles.

IRISH FA SAFEGUARDING CHILDREN & YOUNG PEOPLE IN FOOTBALL

Adopted by NIBFA on 17.08.2023 as the policy & procedures document for all affiliated leagues and clubs.

PLEASE NOTE THE SHORT AND FULL VERSIONS OF THE IFA SAFEGUARDING POLICIES ARE AVAILABLE TO DOWNLOAD FROM YOUR LEAGUE WEBSITE

Safeguarding Children
and Young People
in Football Policy

1. Our Club/League/Organisation acknowledges its responsibility to safeguard the welfare of every child and young person and is committed to providing a safe environment for all. A child is any person under the age of 18. We adopt the Irish FA Safeguarding Children and Young People in Football Policy and Procedures and will apply this across our club/league/organisation.

Our Club/League/Organisation endorses and adopts the following key safeguarding principles:

- the welfare of the child is paramount;
 - all children and young people have a right to be treated equally regardless of their age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, religion or belief, ability or disability. There are no circumstances where abuse is acceptable.
 - ensuring that all allegations of abuse are responded to promptly, in a confidential manner and in line with statutory and Irish FA guidelines;
 - sharing information about concerns with safeguarding agencies that need to know and involving children and young people and their parents or guardians if appropriate.
2. Our Club/League/Organisation has a role to play in safeguarding the welfare of all children and young people by protecting them from all forms of abuse, including bullying, and creating a safe playing environment. It is accepted that the Irish FA's Articles of Association in relation to Safeguarding Children and Young People apply to everyone in affiliated football whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, medical staff or other club officials/representatives.
 3. We adopt the Irish FA's Safe Recruitment guidelines and, as a minimum, we will ensure:
 - We will meet with potential volunteer(s), ascertain their motivation for taking up their prospective role and interview people before appointing them;
 - Ask for and follow up with appropriate references before appointing someone;
 - We will communicate their full role and responsibilities within our club prior to them taking up a role;
 - All those in regulated activity (coaching, providing transport or medical/physiotherapy on behalf of the club, supervising overnight stays/residentials) complete an Enhanced Disclosure Check through AccessNI in accordance with Irish FA procedures prior to us offering them a role. This will be updated every three years;
 - All those acting on behalf of our club will attend Irish FA-approved safeguarding children and young people training relevant to their role. This will be refreshed every three years.
 - In the case of Leagues/Games Centres, we will take all reasonable steps to ensure participating clubs/coaches have followed safe recruitment procedures.

If there are concerns regarding the appropriateness of an individual who is already involved in affiliated youth football or who has approached us to become part of our football club, guidance will be sought from the Irish FA.

We accept that the Irish FA will consider the relevance and significance of the information obtained via AccessNI checks and that all suitability decisions will be made in accordance with legislation and in the best interests of children and young people.

We accept that the Irish FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to any person and to minimise the risk of 'grooming' within football.

4. Our Club/League/Organisation has appointed a Designated Child Safeguarding Officer (DCSO) in accordance with Irish FA Articles of Association.

The post holder will have completed Irish FA safeguarding training relevant to their role as well as a suitable AccessNI check. The DCSO is the first point of contact for all club members regarding concerns about the welfare of any child or young person.

The DCSO will play a proactive role in increasing awareness of respect, poor practice and abuse amongst club members and regularly communicate with the club management committee/ Board. The DCSO may liaise directly with the Irish FA Safeguarding Team for advice and guidance on potential safeguarding issues and inform them of any referrals to statutory services.

5. We acknowledge the Irish FA's identification of bullying as a form of abuse. Bullying of any kind is not acceptable at our club. If bullying does occur, all players and parents/carers should be able to access our anti-bullying policy and know that incidents will be dealt with appropriately. Incidents need to be reported to the DCSO. In cases of serious bullying we may seek advice from the Irish FA.
6. Codes of conduct for players, parents/spectators, officials and coaches have been implemented by our club. All those involved in our club have a responsibility to adhere to the positive behaviours outlined in the relevant code of conduct. Any behavioural issues will be addressed by our DCSO and sanctions may be imposed depending on the seriousness, intent, regularity and potential impact of behaviour in breach of the relevant code.
7. Blowing the whistle on practice or behaviour which compromises the safety and welfare of children and young people who participate in our club activities can be daunting. Volunteers who whistle-blow about concerning practice or behaviour at our club should be reassured that they will be believed and supported. Children and young people should be encouraged to disclose to a trusted adult, either internal or external to our club. Parents and guardians can voice their concerns, where appropriate, to the head coach/programme manager. You may contact the Irish FA on 028 9066 9458 should you wish to discuss any concerns.
8. The safety of the child will always be paramount. Safeguarding is everyone's responsibility, and we know that inaction is not an option. If anyone is worried about a child, it is important that they report their concerns to the DCSO who may deal with reported concerns as follows:
 - i. Our DCSO will endeavour to address poor practice concerns with the support of our management structure. Where necessary we may seek advice from the Irish FA Safeguarding Team.
 - ii. Our DCSO may make referrals about more serious concerns to the Irish FA or, in an emergency, statutory services.
 - iii. We aim to meet the immediate needs of the child. If they require medical treatment, we may call an ambulance and tell them it is a child protection concern.
 - iv. Our DCSO will keep records of the actions taken and inform the Irish FA of any allegations of abuse or serious cases of poor practice.
 - v. If at any time our DCSO is not available, or the matter is clearly serious, all our members should be aware that they can:
 - Contact our club chairperson;
 - Contact the Irish FA's Safeguarding Team on 028 9066 9458;
 - Contact the Police on 101; and/or
 - Health and Social Care Trusts.

VETTING CHECKS

In order to register an official, all clubs, leagues, affiliated bodies and Associations must follow appropriate selection procedures ensuring they are satisfied with the applicant/volunteer. This process should include but is not limited to:

- An application process
- Confirmation of any experience working with children
- Previous coaching experience
- A commitment to engage in additional training as required by the club
- Reference checking

If satisfied with the applicant/volunteer, the club, league or association/affiliated body must ensure that all volunteers engaging in Regulated Activity complete an Enhanced Disclosure Vetting Check prior to confirmation of their membership.

To allow the Irish FA/NIBFA to assess the suitability of a club official to take up membership of the NIBFA, the club, league/association or affiliated body must ensure that the club official engaging in Regulated Activity completes a satisfactory vetting check.

The application process is as follows:

- When satisfied with the applicant, the club will issue a hard copy of the AccessNI application form to each applicant. This application can be found at <https://www.irishfa.com/irish-fa-foundation/grassroots-and-youth-football/safeguarding>
- Each applicant must complete the application full, including the online registration for an Enhanced Disclosure Check (against the Barred list if the work is unsupervised).
- Each applicant must return the application form to the club welfare officer or chairperson along with 3 pieces of identification for identity checking.
- Each applicant should, if necessary submit the self-declaration form outlining any relevant cautions and/or convictions to Kevin Doyle, Irish FA Safeguarding Manager, NFS Windsor Park, Belfast, BT12 5LU.
- The club welfare officer/chairperson should record the name, dob and AccessNI reference number and forward the application form and copies of identification to Kevin Doyle, Irish FA Safeguarding Manager, NFS Windsor Park, Belfast, BT12 5LU. All information should be included on the relevant online club registration system.

On receipt of the completed application the Irish FA will:

- Process the application to AccessNI
- Receive notification from AccessNI outlining:
 - (i) **Nothing to disclose** – The Irish FA/NIBFA will inform the club welfare officer/chairperson that the individual could be considered for appointment
 - (ii) **Certificate Issued** – The Irish FA will request from the applicant, the original disclosure certificate and a full explanation of any disclosures outlined within. The applicant may provide or be required to provide relevant additional information allowing the Irish FA to assess the individual's suitability to fulfil their proposed role. This may include but is not limited to written references and/or additional reports relating to the convictions. The applicant may be required to attend an interview as part of the assessment process. The Irish FA will inform the club, league or affiliated body if the applicant has been successful and any measures that should be put in place to manage any identified risk. The club/league/affiliated body may be required to engage in this assessment process.
 - (iii) **Further information required** – the Irish FA may be required to request additional information from the applicant for the purposes of progressing the application.

This decision will be taken by the Irish FA Case Management Panel.

The Irish FA is committed to equal opportunities for all and does not preclude applicants with criminal convictions. Convictions will only be considered when relevant to the position that the applicant has applied for. Applicants whose disclosure certificate returns information in relation to their criminal record will be judged on a case-by-case basis. Disclosures do not necessarily preclude a person from taking a role within affiliated youth football.

The assessment of suitability will depend on several factors:

- the nature of the position
- the self-disclosure of any prosecutions or convictions
- the seriousness, timing and any possible pattern that emerges of any information disclosed
- the potential of reoffending to cause harm to young people/vulnerable adults

The following information is considered:

- Age of applicant now and at the time of the offence
- Type and nature of the offence
- Number of offences on record
- Pattern of offending or date since last offence
- Contact with young people and/vulnerable adults
- Any mitigating factors
- Any aggravating factors
- Disclosure by applicant
- Cooperation with case management process

Disclosure of certain types of convictions/prosecutions may automatically preclude the applicant from a position working with children. Examples of offences that may prohibit an applicant are:

- Any offence of a sexual nature
- Any offence against a child
- An offence that causes gross bodily harm

- An offence of kidnapping
- A series of continuous offending that might cause concern for the well-being of children

Any applicant who submits inaccurate information (at any stage of the process), omits relevant information or does not engage meaningfully in the assessment process may not be permitted to take up membership of the NIBFA either temporarily or permanently.

All documentation will be returned to the applicant on completion of the process. The Irish FA will retain confirmation of the decision to grant membership or not.

All clubs, leagues, affiliated and associated bodies must ensure they maintain accurate and up to date record of all club officials including confirmation of vetting checks and safeguarding training, both of which should be updated every 3 years.

Appeals

An appeals process can be made available to any individual who is subject to a decision made by the CMP.

- All requests must be submitted in writing, by special-delivery post, within 14 days after the date the decision was intimated in writing to the individual concerned.
- A fee of £75 must be enclosed with the appeal. The fee shall be returned only where the appeal is upheld or not heard.
- The request must clearly identify the decision the individual wishes to appeal, on what grounds they wish to make the appeal, and reasons as to why it would be unfair not to change the decision. Evidence must also be submitted to support the claim.
- The Appeals Panel will exclude any person who sat on the original CMP.
- Where an appeal has been rejected or not heard, the initial decision made by the CMP will stand.
- The Appeals Panel will notify the individual, in writing, of the outcome of the appeal process.

Should an individual wish to withdraw their appeal prior to the hearing taking place, they must notify the Irish FA's Safeguarding Team in writing. In such cases, the original decision made by the CMP will be upheld. The individual may also be subject to a cancellation fee.
